

## 500's Science

### Reading/Writing Connection

- \_\_\_\_\_ Teach It! - Be a teacher. Share the information from your book with a younger reader. Using a creative product (puppet show, picture book, ABC book, game, etc.), portray at least five facts from your book.
- \_\_\_\_\_ Find It! - Treasure Hunt – Using the index and/or table of contents, create a treasure hunt for a classmate. Use page numbers, chapter titles, and index topics to direct your classmate to find the answers to at least five questions. Include an answer key.

### Technology Connection

- \_\_\_\_\_ Study It! - Animal Study – Go to <http://www.readwritethink.org/materials/animal-inquiry/> and use this interactive animal study to create a graphic organizer for the animal of your book.
- \_\_\_\_\_ Trade It! - Using *Grolier Online*, find five additional facts about your topic. Using KidPix, create an animal trading card listing the facts and including an image of the animal.
