Reading/Writing Connection

_____ High Five It! - Write five interesting facts you learned about your topic from the book. Include the page number where the fact is located.

_____ Find It! Treasure Hunt - Using the index and/or table of contents, create a treasure hunt for a classmate. Use page numbers, chapter titles, and index topics to direct your classmate to find the answers to at least five questions. Include an answer key.

Technology Connection

_____ Puzzle It! - Using an online puzzle maker from either <http://puzzlemaker.school.discovery.com/> or <http://www.funbrain.com/detect/index.html>, create a word search with at least eight science related vocabulary words from your book.

_____ Feed It! - Using Microsoft Word or KidPix, create a pamphlet or brochure showing how to take care of your pet. Use colorful fonts and graphics when designing your pamphlet.
