

700's Arts and Recreation

Reading/Writing Connection

_____ Pursue It! - Create 3 Trivial Pursuit game questions about your book. Use facts and information from the book for the cards. Share your cards with a friend who also completed this activity or contribute your cards to a class set of cards.

Technology

_____ Snap It! - Using pictures you've taken with a digital camera, images from the internet, or scanned pictures, create a picture montage of your book's topic. The pictures can be presented using Microsoft Word or PowerPoint.

_____ Win It! Play by the Rules! - Using Microsoft Word or KidPix, create a pamphlet or brochure showing how to play, perform, or explain your topic. Use colorful fonts and graphics when designing your pamphlet.
