

900's Geography and History

Reading/Writing Connection

_____ IIM It! Where or When in the World? - Create four IIM research questions about your book. Using “Trash and Treasure,” take notes from the book to answer the questions. Write down the page numbers where you found your facts.

_____ Pack It! - Pretend that you are able to travel to the country or time period of your book. What five things or people should you pack in a suitcase to take with you? Why did you choose those things or people? Write and illustrate a paragraph about your suitcase’s contents.

_____ Test It! - Create an original (ARP) test for your book. Focus on important facts and information to create five multiple-choice questions. Include an answer key with the page number where you found the information.

Technology Connection

_____ Date It! – Create a timeline of at least eight events from your book using the Interactive Timeline at <http://www.readwritethink.org/materials/timeline/index.html>.

_____ Picture It! A Picture Says a Thousand Words - Using Grolier Online (*Lands and Peoples* or *New Book of Knowledge*), insert an image related to your book into a Microsoft Word document. Create your own caption for the image and print the product.
